A Brief History of Pit Stop BBQ & Grill

Don Davis established Pit Stop Bar-B-Que in 1995. The original location was literally a "pit stop". Barbeque was sold out of walk-up and drive-thru windows on the corner of Central Avenue and US Hwy 82 in Tifton. There was not a dining room. After much encouragement

from loyal customers to expand, the current location on I-75 was purchased. The size of the restaurant went from approximately 600 to 8,000 square feet with a current seating capacity of 180.

Due to the huge following of loyal customers all over the south, Don decided to keep the same name but added "& Grill", making it Pit Stop Bar-B-Que & Grill. The menu also grew to offer more choices to its customers. Today, Pit Stop is not only known for its excellent barbeque, but is has been nominated, voted and won awards for The Best Steaks, Best BBQ, Best Family Dining, Best Hamburgers, Best Catering and Best Place for Lunch in the area.

Pit Stop's business thrives on local and repeat clientele, as well as travelers along I-75 looking for something new and different from the same old fast food. Once customers dine at Pit Stop Bar-B-Que, they always come back. Travelers often comment that they make travel plans just so they can time their trip to eat at Pit Stop. How is that for an accolade?

Although Don doesn't personally greet the customers anymore, his legacy lives on in his food and his staff. Since his death in October 2008, Don's wife, Carole, and his daughter, Denise, continued to own and operate Pit Stop. Then, in April of 2020, Carole joined Don, the love of her life. They would have celebrated 60 years of marriage in September 2020. Denise, who got a great big dose of her daddy and her mother, continues to keep the family business open with the help of their very loyal staff, some who have worked at Pit Stop since the beginning, and others marking more than a decade of service to this family and to this popular eating spot in Tifton.

Don was a perfectionist whose attention to serving only the highest quality of meats and food was never compromised. He always looked for ways to improve the quality of his food, even if it meant raising his own costs. This same passion for excellence is evident today. The same recipes are precisely followed creating the same quality of food that Pit Stop's customers have grown to expect. Some changes have been made to the menu, but Don would give his girls two thumbs up for keeping pace with the times while maintaining the original recipes. Now that Don and Carole, both, are not actively making decisions with Denise, she knows of the passion her parents shared for Pit Stop, and she strives to maintain that with each and every decision she makes without them.

Denise and all the staff at Pit Stop Bar-B-Que & Grill welcome you! They hope you enjoy the food, and they certainly appreciate the opportunity to serve you. The biggest compliment you can give Pit Stop is to return and bring a friend or a family member.
